## LETTER OF TRANSMITTAL.

Ottawa, November 18, 1911.

To the Honourable

The Minister of Agriculture.

SIR,—There seems to be a demand for a complete list of cheese factories, creameries and condensed milk plants in Canada. In order to supply that demand, the accompanying list has been prepared from information supplied by the Provincial Departments of Agriculture, the Provincial Dairymen's Associations and others.

It would be impossible to publish an absolutely correct list, as changes will take place even while the list is in course of being printed. The list herewith is as nearly accurate as it is possible to make it from the information which is available. The total number of factories is probably considerably in excess of the figures given in this list.

I have the honour to recommend that this list be published as bulletin No. 31 of the Dairy and Cold Storage Series, for distribution among those to whom it will be useful.

I have the honour to be, sir,

Your obedient servant,

J. A. RUDDICK,

Commissioner.
